The Stege Sanitary District (District) is an independent Special District of the State of California that provides sanitary sewer services to El Cerrito, Kensington, and a portion of the Richmond Annex in Richmond. The District's mission statement is "to protect public health and the environment for the communities we serve through planning and operation of a safe, efficient, and economical wastewater collection system." The Board of Directors (Board) is the policy-making body of the District.

The Board is comprised of five (5) board members elected at large. The Board members serve staggered four-year terms with elections being held in even-numbered years. Three terms are up for election in 2022 and the remaining two terms are up for election in 2024. Board members must be United States Citizens, at least 18 years of age, and reside within the boundaries of the Stege Sanitary District.

The Board holds its regular meetings once or twice a month on a Thursday at 7:00pm to conduct the business of the District. The Board may also, from time to time, call special meetings to act on timely issues. Board members must attend all regular and special District meetings unless they can show good cause for their absence. Members of the public are welcome to attend all Board meetings.

Other Board requirements include the completion of:

- An economic interest disclosure statement (Form 700)
- A campaign disclosure statement (Form 460 or 470)
- Mandatory AB 1234 ethics training
