**Subject:** Special Districts Roundtable w/Asm. Buffy Wicks

Hi Rex,

As you know, on occasion, the California Special Districts Association (CSDA) gets invited to provide updates to legislative offices, in which we ask our members to join to discuss any projects/programs your district is working on (basically anything you would like to highlight). You can also feel free to provide an update on how your district has continued to adapt to COVID19. These meetings, which we call "legislative roundtables" are the perfect opportunity to create relationships for your district with legislative offices and get to know the priorities, both locally and in the Capitol.

We are only inviting a handful of districts (3 to 4) to this roundtable meeting. Since Asm. Wicks represents your area; I was wondering if you or someone else from your district would be interested in attending. Here are the details.

**CSDA Virtual Meeting w/Assemblymember Buffy Wicks**  
**Tuesday, Feb 22nd 11am**  
**Zoom Meeting Info: Will send to those who RSVP**

We try and keep these meetings small so that everyone present has a chance to speak. Therefore, we ask that each district keep their comments around 5 minutes. Please send me a quick email if anyone from your district is available to attend. Board members or staff would be appropriate participants.

**Please let me know ASAP if someone else from your district is able to attend, as Asm. Wicks' office asks for a list of attendees ahead of the meeting.** Thanks so much and please let me know if you have any questions.

-Colleen
